

# Monument Primary School

## Vision and Mission

### VISION

My Monument

### MISSION

- To be the preferred school of choice by excellence through quality, reliability, efficiency and PRIDE – not just for our learners, but also for our educators and parents.
- To create a Christian environment that says “My Monument”.

Faithful to our school's vision and mission as set out above, the School Governing Body vows to appoint only suitably qualified, loyal and responsible educators.

It is expected of educators to:

1. Be serious about teaching and to realize that it is their solemn duty to empower the learner with knowledge through quality teaching. Knowledge that will enable the child to be an asset to the community and country one day.
2. Teach the child norms and values that should be carried beyond the school into the community. In this way the school also reaches the community, thereby spreading education beyond the borders of the school.
3. Initiate various actions to get parents involved in school activities so that they can really be fully part of the school community.

SIGNED AT London ON THIS 15 DAY OF AUGUST 2014
